I understand that emergencies can/may arise with the provider I am scheduled with, and there could be a possibility that I will be provided care by another Board Certified provider of Pulmonics Plus.

I hereby assign, transfer, and set over to Pulmonics Plus all of my rights, title, and interest to my medical reimbursement benefits under my insurance policy. I authorize the release of any medical information needed to determine these benefits. This authorization will remain valid until I revoke it by written notice. I understand that I am financially responsible for all charges whether or not they are covered by insurance.

I understand that I may revoke this authorization at any time, and understand this must be done in writing.

This authorization will end only upon written notice. You must make any additions or deletions from this list in writing.

Print name:_____

Signature: _____

Date:_____

This must be completed in order for ANY information to be disclosed to a spouse, family member, organization, or individual that assists you with your medical care, appointments, or insurance.

Patient Name:

Date of Birth:

Assignment of Insurance Benefits:

I hereby authorize direct payment of my insurance benefits to PULMONICS PLUS, or the physician individually, for services rendered to my dependents or me by the physician or under his/her supervision. I understand that it is my responsibility to know my insurance benefits, and whether or not the services I am to receive are covered benefits. I understand and agree that I will be responsible for any co-pay or balance due.

Medicare/Medicaid/Insurance Benefits:

I certify that the information given by me in applying for payment under these programs is correct. I authorize the release of any of my dependent's or my records that these programs may request. I hereby direct that payment of my dependent's or my authorized benefits be made directly to the PULMONICS PLUS, or the physician on my behalf.

Authorization to Release Non-Public Personal Information:

I certify that I have received and read a copy of the PULMONICS PLUS Patient Information Privacy Policy. I herby authorize PULMONICS PLUS, or the physician individually to release any of my or my dependent's medical or incidental non-public personal information that may be necessary for medical evaluation, treatment, consultation, or the processing of insurance benefits.

Authorization to Mail, Call or Email:

I certify that I understand the privacy risks of the mail, phone calls, and email. I hereby authorize the PULMONICS PLUS staff, or my physician to mail, call, or email me with communications regarding my healthcare, including but not limited to such things as appointments reminders, referral arrangements, and laboratory results. I understand that I have the right to rescind this authorization at any time by notifying PULMONICS PLUS to that effect in writing.

Lab/X-Ray/Diagnostic Services:

I understand that I may receive a separate bill if my medical care includes lab, x-ray, or other diagnostic services. I further understand that I am financially responsible for any co-pay or balance due for these services if they are not reimbursed by my insurance for whatever reason.

Financial Responsibility Agreement:

I understand and agree that I will be financially responsible for any and all charges not paid by my insurance for my visits. This includes medical service or visit, lab testing, and any other screening service or diagnostic ordered by the physician or staff. I understand and agree that it is my responsibility and the responsibility of the physician, or office, to know if my insurance will pay for medical service or visit. I understand and agree it is my responsibility to know if my insurance has any deductible, copayment, coinsurance, usual and customary limit and I agree to make full payment. I understand and agree it is my responsibility to know if the physician or provider I am seeing is contracted in-network with my insurance plan. If the physician I am seeing is not recognized by my insurance company or plan, it may result in claims being denied or higher out of pocket expense to me and I understand this and agree to be financially responsible to make full payment.

No-Show, Cancellations and Rescheduling:

We understand that circumstances may arise that could affect your availability for your scheduled appointment. Missing your appointment without properly notifying the office though, prevents another patient from receiving much needed care. Vice-versa, another patient's failure to notify the office to cancel an appointment may prevent you from being able to schedule a visit due to a seemingly full schedule. Due to the effect on all patients, a **no-show fee of \$50-\$150** may be charged to your account, depending on the appointment type.

*No-Show fee(s) are not covered by insurance companies and are the patient's responsibility.

I acknowledge that I have been informed of the no show fee policy and fees. I understand these fees are not covered under my insurance plan, and I will be held responsible.
